Through The Looking Glass

Foreword

As another school year passes by, each of us as students must try to evaluate ourselves and our personalities. The transparency of our reflections often will depend upon how well we know ourselves and the reasoning behind our visions and actions.

Through the looking glass we see the trials encountered, the glory earned, and we are better able to understand ourselves as mature individuals. From this mirror come silent echoes of ballgames, dances, exams, and the prom. Whether we review the past school year with understanding or bewilderment, there is no regret in our hearts for we have shared the privilege of education.

SENIORS

Senior Class Officers

As the seniors peer "through the looking glass", we reflect the well-trodden path that we have just completed. Although there are frequent "rough spots", the path is studded with many brilliant occasions, from our "first day" at NCHS to our Prom, class rings, and finally donning of the traditional white robes for graduation.

As we look from the past to the future, we see another path, a much narrower and more difficult one. But, regardless of the hardships, in years to come, we will remember our years at NCHS and be proud to consider ourselves as members of the "Class of '68".

GOVERNORS HAVE BREAK EVEN SEASON

1967 proved to be a "so-so" year for the Nelson Football Squad, as they finished the season with a 4-4-2 mark. Injuries, inconsistent play, and too much power among district foes proved a menace for the boys.

Still there were many bright spots during the campaign, such as the offensive running of Ed McFadden and the defensive work of Kenneth Robertson. Probably the most spirited contest of the year was the 13-13 tie with Altavista. And for the second year in a row, the Governors won the coveted District IV Sportsmanship trophy.

On Feb. 9, 1968, the Nelson Governor's basketball team beat Brookville 64-57. This was a big win for Nelson as it marked their 13th. victory of the season; more than any other N.C.H.S. cage team in the schools' history. In the same game, senior Billy League eclipsed the 1,000 point mark for his high school career.

As of press time, Nelson had a 13-4 record with 4 of the 5 starters averaging in double figures. As a team Nelson was averaging 66.4 P.P.G. on offense and 52.6 P.P.G. on defense.

1968 CINDERMEN POWERFUL

The track team at Nelson this year is possibly the strongest ever assembled—and that's saying something considering N.C.H.S. had won its district for the last 12 years. Not only are they strong, but they are young as evidenced by the fact that there is but one senior on the squad. The 1967 team set 5 school records and one state record in the high jump, pole vault, 880, mile, and 880 relay. However, the 1968 squad hopes to post even more new records and top off the season by winning the state championship. With hard work and dedication, they can do it.

Shortstop Bobby Brush.

Second Baseman Mike Fields.

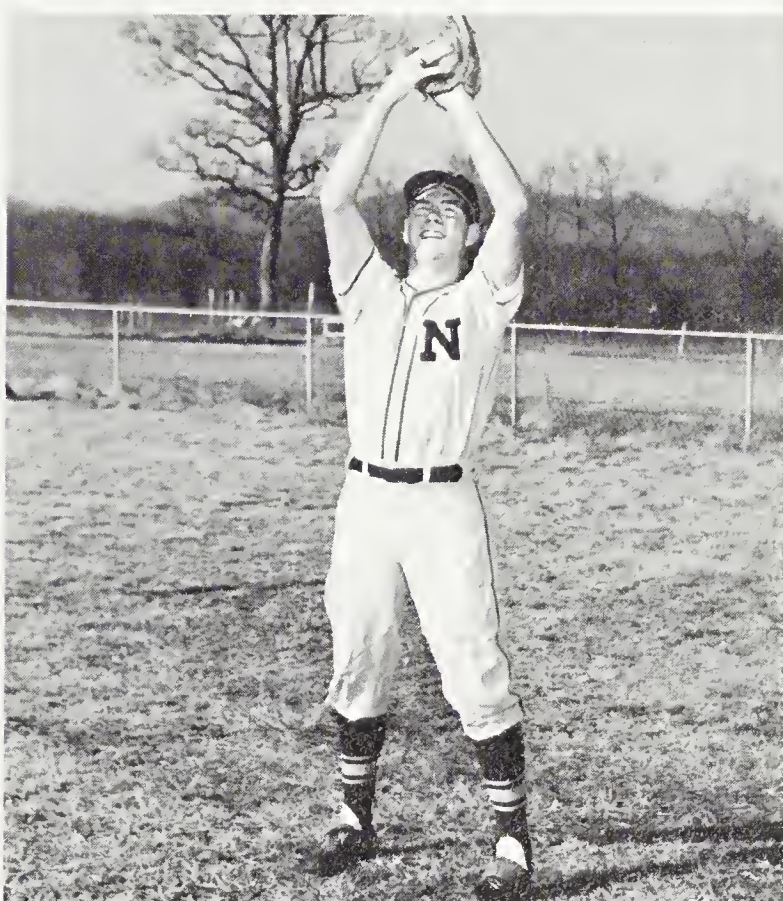

Ace hurler: Wendell White

Catcher: Mike Giles

Johnny Bowling takes a practice swing.

Outfielder Kenneth (Egghead) Roberts.

Although Coach Rothgeb lost 4 starters from his 1967 squad, the 1968 baseball team should be a winner again this year. Coming off a 7-6 record last year with 5 returning lettermen and a host of promising underclassmen on hand, the coach seems to think the N.C.H.S. baseballers may have a shot at the district crown this year.

Girls look forward to winning season

The 1968 Girls softball team hopes to better its' 4-2 mark of last year. Nearly all starters from last years' team are back and several new girls promise to bolster the line-up this spring.

We are certain the student body of N.C.H.S. wished to join the 1967-68 Governor staff in extending a well deserved "THANKS" to the athletes, managers, trainers, coaches, administration, and cheerleaders who all helped make sports at Nelson so successful this year.

ORGANIZATIONS

Editors Nancy Whitehead and Connie Fields prepare newspaper for publication.

Whew! Made the deadline for another month!

Formed in 1964 as an SCA project, the Governor's Gazette is now a thriving, self-sufficient school paper. The newspaper staff works hard throughout the year to provide students with a comprehensive and accurate newspaper. The Governor's Gazette gives students an opportunity to exercise their interest in journalism.

'68 Governor Staff

The theme of the 1968 Governor "through the looking glass" has been reflected throughout the various classes. We of the Governor staff hope that each graduating class will review many memorable scenes at NCHS as they gaze "through the looking glass". As we look "through the looking glass" at our past year of activity, we see fun, experience, and most of all, a closer relationship in working together.

Editors work on "dummy" copy in preparing each section of the annual.

The Student Cooperative Association is composed of the entire student body represented by homeroom representatives. The primary purposes of the SCA are to develop good citizenship, provide wholesome recreation, and to promote harmony between the faculty and student body. A very active organization, the SCA attended several conferences this year, sold pennants, installed a snack machine, ran several campaigns, and obtained information about obtaining a foreign exchange student.

UNDERCLASSMEN

Class of '69

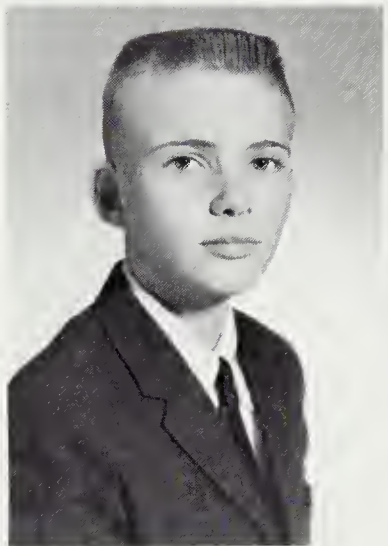

With the excitement of class rings, college boards, and Prom, the Junior year has been a hectic but rewarding one. The Juniors now look forward to rising to the highest rung on the ladder, the "Senior Class of '69." As they gaze back upon their past years through the looking glass, may it conjure up many nostalgic memories and pleasant remembrances of fun-filled occasions.

Class of '70

The Sophomore class sponsored a Sadie Hawkins dance.

The "looking-glass" holds a very unique image for the Sophomore. He is no longer thought of as an "observer" of high school life; instead he is a participant. He has gained his basic knowledge of "life at NCHS" and can now take part in and enjoy the opportunities offered.

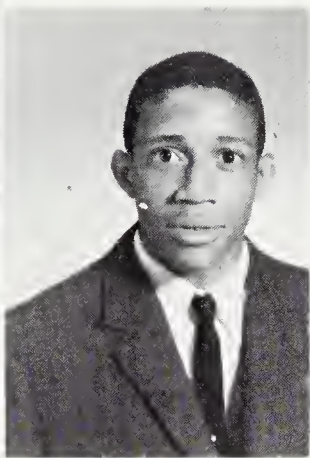

But he is also facing a new horizon, that of becoming a Junior. The new responsibilities that will be placed upon him are demanding, but are also very rewarding; and the anticipations of these rewards are very exotic and dream fulfilling indeed.

Class of '71

The image of the Freshman Class reflected in "the looking glass" is one of slow rising importance. They have, at last, inherited a name and have gained a pride in the feeling of "belonging." For them, the future includes three exciting, fun-filled years. But in addition to the new enjoyments, the Class of '71 faces many new challenges.

Class of '72

1967-1968 has been a memorable school year for the eighth graders. Last fall, they entered NCHS full of fears and dreams of what "high school" was to be. By Thanksgiving, they had learned what it was really like. Now they feel they are really students of NCHS and members of the "high school" crowd. Each of them eagerly awaits "Fall '68" and the new excitement and challenges it brings with it.

Project Opportunity

Now in its third year, Project Opportunity continues to grow and seek new paths. With funds from the Ford and Danforth foundations, the project is a cooperative endeavor being conducted by Nelson County, The University of Virginia, and Mary Baldwin College. To help develop and evaluate the experimental programs of Project Opportunity, students are selected on the basis of their overall scholastic records.

During the 1967 Summer Studies Program, these students studies a variety of topics from modern dance to natural resources. During the school year, the tenth grade students participated in a Saturday Seminar Program at the university of Virginia.

Teachers are also utilizing funds in developing departmental programs. English teachers are establishing paperback book libraries. The Foreign Language Department sponsored a COPE III Workshop in which 80 area teachers and administrators participated. The Guidance Department worked out an Exploration Unit for ninth graders.
